LETTER OF RECOMMENDATION

It gives me immense pleasure to recommend **Ms. Riya Giridhar** for the Masters Program at your University. I have known her for the past three years being the head of Department for the B.Com (Accounting and Finance) course in M.L. Dahanukar College of Commerce, Vileparle(E), Mumbai 400057 and having taught her the subjects of Taxation and Law. She is a very bright student and a keen learner and completes all the work well before deadline. The way she interacts in class during lectures is impressive.

Over the years of interaction, she has actively participated in all co-curricular and extra-curricular activities of the college. She has also been highly active in class and had a spark to participate in almost everything. She is well-mannered individual with good social and moral values. She had volunteered to be one of the founding members of our Department's Instagram page and made several posts for the same. She also been a part of many associations and clubs of our college like Rotaract, DLLE, etc and headed it successfully. She has been a Class representative for three years and handled all the problems that aroused in the class tactfully which has proved that she has great leadership skills.

She was able to simultaneously tackle academics and extra-curricular activities impressively. Despite handling many big positions in the college clubs and associations, she was down to earth and shows respect to everyone.

I believe Riya will prove to be an asset to your University as a whole with the skillset she possesses. I highly recommend her for admission to your University and consider her to be a potential candidate for admission into your university.

Sincerely,

CS Swapnil Shenvi
Coordinator, Bachelor of Commerce (Accounting and Finance)
