It gives me immense pleasure in writing this letter of recommendation for Dr. Aarushi Wadhwa, working as an Assistant Dentist at Assija Dental Clinic. She is an honest employee in handling patients and deals according to medical ethics.

She is an excellent dentist and keen learner. She is not greedy in terms of extracting more money from patients and guides them according to the diagnosis and specific treatment required. She is punctual and provides regular checkups for patients and explains details of procedures like root canals and installing Braces.

I have an opportunity to closely observe her performance and growth over a period of two and half years. I recognize Dr. Aarushi Wadhwa as a very creative and sincere student. She is a beholder of vibrant energy and positive attitude that makes her smart in handling critical care patients.

I strongly support her application for admission in your university and wish her success in her future endeavours.
