

LETTER OF RECOMMENDATION

I am writing to recommend Safiullah Sheriff. I have known him for the past two years while he has worked as an Operation Executive in Emirates Post Group. I have been consistently impressed by both Safiullah's attitude towards his work and his performance on the job

His interpersonal and communication skills have allowed him to develop productive working relationships with both our clients and our staff. Safiullah has the listening and interviewing skills necessary to extract information from our client

Safiullah possesses solid writing skills which have enabled him to compose quality correspondence. He also has the analytical skills to diagnose problems and devise viable solutions. He also proves his ability to work well under pressure.

I believe he will be an asset to your program. Please let me know if you need further information.
